ECO Mobility Expands Its Global Footprint with International Mobility Collaboration

New Delhi, India, March 20, 2026: ECOS (India) Mobility and Hospitality Limited (ECOSMOBLTY |544239 |INE06HJ01020), one of India's leading chauffeur-driven corporate mobility providers, has announced a strategic global partnership with SIXT, a leading international mobility provider. Through this collaboration, ECO Mobility acts as exclusive **General Sales Agent** to facilitate access to car rental services across key international destinations for corporates, enterprise and travel agent clients, marking a significant milestone in the company's service expansion journey.

While ECOS continues to lead India's organised chauffeur-driven mobility segment, this partnership strengthens its global mobility proposition by integrating structured car rental options for **global Indian travellers** operating or travelling overseas. The initiative is designed to offer enterprises seamless, reliable and premium mobility options beyond domestic markets, ensuring continuity of service standards across geographies.

SIXT operates a global fleet of more than 350,000 rental vehicles, including franchise partners, across over 105 countries and more than 2,000 rental locations worldwide, featuring models from leading global manufacturers including BMW, Mercedes-Benz, Audi and other premium brands. With a strong presence across major international markets, SIXT is recognised for delivering high-quality vehicles at great value for money.

Commenting on the development, **Ms. Deepali Dev, Chief Operating Officer**, ECO Mobility and Hospitality Limited said, *"This partnership marks a pivotal step in our evolution as a comprehensive mobility solutions provider. For nearly three decades, ECOS has built a strong foundation in India's chauffeur-driven segment. As our corporate and travel clients expand their global presence and business travel continues to grow across markets, there is a clear need for dependable, premium drive-yourself mobility solutions internationally. Partnering with SIXT enables us to extend the ECOS promise of reliability, service excellence and structured mobility to corporates across global destinations."*

The partnership is expected to further strengthen ECO Mobility's positioning as an integrated mobility partner for enterprises and travellers seeking end-to-end transportation solutions across India and international markets.
